Recently

We have been working hard to get our new outdoor kennel project going! All of the fundraising and grant proposals from this summer will soon turn into well-constructed, upgraded kennels. The old is being torn out, trees removed, and ground prepped for what is next! Thank you to everyone involved with helping to make this happen!

Justice

Justice loves life! Adventures, play time, love, and affection are all things this girl wants. She loves people, kids, and she is dog friendly (she plays hard, needs a dog who can match her play style). She is currently our longest resident, and we just know there is a great family out there that will feel so lucky to have this beautiful 3 year old girl.

Donald

Any senior lovers out there? Donald is a happy, friendly 10 year old rescue pup that would love a home of his own ❤️
